INFINITE POSSIBILITIES

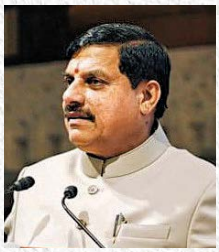

Madhya Pradesh: The Cotton Capital Leading the EV Revolution- A Golden Opportunity for Investment

Prime Minister Narendra Modi, while inaugurating the two-day Global Investors Summit in Bhopal on Monday, urged investors to seize the moment for investment in Madhya Pradesh. He emphasized, "I have said from the Red Fort—this is the time, the right time. This is the moment to invest in Madhya Pradesh, whether it's new investments or expanding existing ones."

He highlighted that three key sectors—**Textiles, Tourism, and Technology**—will play a crucial role in the future, generating millions of jobs. The summit, being held in Bhopal for the first time, witnessed the participation of thousands of investors, ambassadors, and company representatives from across the world. On the first day alone, investment proposals worth ₹22.50 lakh crore were received, which, if implemented, could create **13.43 lakh jobs**.

PM Modi further stated, "The world has faith in India. Global institutions like the World Bank, OECD, and the UN have given positive remarks about India's economy and growth." He also highlighted Madhya Pradesh's leadership in agriculture, minerals, and energy production.

Madhya Pradesh Committed to Achieving the Goal of a Developed India Under PM Modi's Leadership

Under the leadership and guidance of **Prime Minister Narendra Modi**, the **Madhya Pradesh government** is taking new steps toward **sustainable development and industrial investment** in the state. The **Global Investors Summit's** theme, "Infinite Possibilities," reflects the limitless opportunities for industries and investments in the state.

"Infinite Possibilities" is not just a concept; it is a vision that represents the vast opportunities available across all sectors in Madhya Pradesh. PM Modi's mantra—**"Sabka Saath, Sabka Vikas, Sabka Prayas, Sabka Vishwas"**—conveys the message that when we unite to light the flame of hope in the limitless sky of possibilities, it is not just one but all who benefit. This embodies the essence of our **Sanatan culture**.

Under **PM Modi's leadership, India has resolved to become a developed nation by 2047**, with the ambitious goal of transforming the country into a **$35 trillion economy**. To achieve this vision, **Madhya Pradesh is committed to playing a crucial role in making India a developed nation**, with the collective efforts of all its citizens.
