Madhya Pradesh Emerges as Top Tourism Hub with ₹4,468 Crore Investment at GIS-2025

The Tourism Summit at the Global Investors Summit (GIS) 2025 showcased vast investment opportunities in Madhya Pradesh's tourism and hospitality sector. Investors and industry leaders explored the state's rich tourism potential, enhanced infrastructure, and connectivity, which promise an unparalleled experience for visitors.

Madhya Pradesh stands out as a premier investment destination in tourism, offering world-class facilities to visitors while preserving environmental sustainability. The state is home to tigers, cheetahs, leopards, gharials, and vultures, with a growing number of tiger reserves. Unique to Madhya Pradesh, wildlife coexists harmoniously with human settlements, with cheetahs spotted in villages near Sheopur and tigers occasionally seen in urban areas of Bhopal.

KEY MOUs TO BOOST TOURISM, WOMEN'S SAFETY & ADVENTURE TRAVEL

Several Memorandums of Understanding (MoUs) were signed during GIS 2025 to enhance tourism infrastructure and services:

- **MakeMyTrip's 'Pink Toilets' Initiative in Orchha** – Modern women-friendly toilets at major tourist spots, operated by local self-help groups (SHGs), creating employment for women.
- **Indiahikes to Develop New Trekking Route**s – Focus on adventure tourism, promotion through videos and photography, and skill development workshops for local entrepreneurs.
- **Alchemy Cruise Lines' Expansion** – Plans for a cruise service on the Narmada River from Kukshi (Madhya Pradesh) to the Statue of Unity (Gujarat).
- **Gwalior Fort Tourism Development** – MoU for infrastructure enhancement and cultural activities at the historic site.
- **UN Women Collaboration for Gender Equality** – Awareness programs and workshops for women's empowerment and economic upliftment at key tourist destinations in Madhya Pradesh.

With these significant investments and partnerships, Madhya Pradesh is set to emerge as India's top tourism and hospitality hub, blending heritage, adventure, luxury, and sustainability.
