Global Investors Summit 2025: A Golden Era of Investment in Madhya Pradesh

Adani Group to Invest ₹1.1 Lakh Crore in Madhya Pradesh

Madhya Pradesh is rapidly emerging as a premier investment destination, attracting leading industrialists from across the globe. The excitement surrounding the Global Investors Summit 2025 (GIS 2025) is evident, with major business leaders expressing their commitment to investing in the state.

INVEST MADHYA PRADESH
INFINITE POSSIBILITIES

Business tycoon Gautam Adani, while attending GIS 2025 in Bhopal, held a one-on-one discussion with Chief Minister Dr. Mohan Yadav. He acknowledged that Prime Minister Narendra Modi's initiatives like 'Make in India' and 'Digital India' have propelled the country's economy to new heights. Applauding Madhya Pradesh's rapid development under CM Yadav's leadership, Adani announced a massive investment of ₹1.1 lakh crore in sectors like cement, sewage management, mining, smart meters, and thermal energy. This investment is expected to generate 1.2 lakh jobs by 2030.

Additionally, the Adani Group is planning to develop a Greenfield Smart City with an additional investment of ₹1 lakh crore, which is poised to be a game-changer for the state's infrastructure and urban development.

SWITZERLAND EYES INVESTMENT OPPORTUNITIES IN MADHYA PRADESH

Martin U. Maier, Consul General of Switzerland in Mumbai, expressed his excitement at exploring investment opportunities in Bhopal. He highlighted that the European Free Trade Association (EFTA)—comprising Switzerland, Iceland, Liechtenstein, and Norway—has signed a Trade and Economic Partnership Agreement (TEPA) with India, paving the way for $100 billion in investments over the next 15 years. Maier emphasized the importance of attracting Swiss companies to invest in India's growing economy, with Madhya Pradesh being a key destination.

Industry Leaders Applaud Madhya Pradesh's Growth

Several top industrialists have acknowledged Madhya Pradesh's pro-business policies and growing industrial landscape:

- **Nadir Godrej, Chairman, Godrej Industries:** "Madhya Pradesh is progressing rapidly, and investing here has always been beneficial. The government's simplified business regulations have made the state even more attractive to investors."
- **Sanjiv Puri, Chairman & MD, ITC:** "With its strategic location and rich natural resources, MP is ideal for investment. The agricultural sector has witnessed significant transformation, and the presence of diverse industries is growing."
- **Vineet Mittal, Chairman, Avaada Group:** "Since 2010, we have been investing in MP and securing projects from NTPC, NHPC, and others. We plan to invest ₹50,000 crore over the next five years in solar energy, wind power, pump storage, and battery storage projects."

With strong government support, strategic policies, and an investor-friendly environment, Madhya Pradesh is set to become a key industrial and economic powerhouse in India
