## ISHA AMBANI

EXECUTIVE DIRECTOR,
RELIANCE RETAIL VENTURES

Reliance Retail is India's largest retailer by revenue, profit, and scale. With a presence across categories and the ability to put in large amounts of money, its growth story has been impressive. The company has quietly moved into the global league as well—it is among the top 10 retailers in Asia and the only Indian retailer in the list of global 100 retailers. Executive Director Isha Ambani is also on the board of Jio Platforms.

## JAYANTI CHAUHAN

VICE CHAIRPERSON,
BISLERI INTERNATIONAL

**Handling a brand like Bisleri, synonymous with the bottled drinking water category, is not easy. It is a business that is operationally intensive made and is made more complicated by an Indian terrain where distribution is not for the faint hearted. As Vice Chairperson of Bisleri International, Jayanti Chauhan oversees the eponymous brand along with Vedica, a premium water offering, and also a carbonated soft drink portfolio that has Bisleri Limonata and Bisleri Pop. That's a lot of hard work to keep the company in top shape.**
