MONIKA SHERGILL

VICE PRESIDENT (CONTENT),
NETFLIX INDIA

Figuring out what kind of content works is quite a task. And if you are dealing with a market as heterogenous as India, you need a lot of luck as well. Monika Shergill, Netflix India's Vice President (Content), knows more than a little about that. The time spent at Star India, Sony and Viacom18 has honed her skills to get the nuances of what the viewer wants. With successes like *Heeramandi: The Diamond Bazaar*, *The Great Indian Kapil Show*, and *The Elephant Whisperers*, Shergill appears to have cracked the formula.
