Dr. Grace Pinto: The Education Visionary Powering India's Future Workforce

Madam Grace Pinto
Managing Director
Ryan Group of Institutions

As India advances toward a digital-first, innovation-driven economy, Dr. Grace Pinto, Managing Director of Ryan Group of Schools stands out as a transformative leader whose dynamic influence extends beyond classrooms and into shaping the nation's future leaders. For over half a century, Dr. Pinto has dedicated herself to redefining educational excellence, blending values, innovation, and inclusivity in her relentless pursuit to build tomorrow's leaders.

At the helm of the Ryan Group of Schools, celebrating its 50th anniversary. Dr. Pinto oversees one of India's largest K–12 education networks spanning 18 states and 40 cities, with over 250,000 students engaged in CBSE, CISCE, IB, IGCSE, ISC and State Board curricula. Yet, her real legacy is reflected in the Ryan Group's adaptive resilience during one of the greatest disruptions in education history. When the pandemic upended learning worldwide, Dr. Pinto's corporate-style agility and deep empathy provided a beacon for millions of students and parents.

LEADING THROUGH CRISIS, BUILDING FOR THE FUTURE

Well before the pandemic disrupted education, the Ryan Group had already begun embracing digital technologies to enrich learning experiences and make education more engaging and accessible. In 2020, when remote learning became essential, Dr. Pinto championed the creation of Ryan School OS - a hybrid platform merging live instruction and self-paced study, which not only ensured education continuity, but deepened personalization and accessibility for every child. "Learning must empower children with confidence, curiosity, and resilience," Dr. Pinto asserts, articulating a vision anchored in holistic growth.

A LEADERSHIP PHILOSOPHY ENRICHED BY VALUES

Under Dr. Pinto, the Ryan motto - Excellence in Education and All-Round Development - has evolved to embrace 21st-century skills: critical thinking, collaboration, communication, creativity, and entrepreneurship. Initiatives such as the Indian Model United Nations, International Theatre Festival, and a robust sports and arts ecosystem demonstrate her pioneering belief that holistic learning shapes future-ready global citizens.

BROAD NATIONAL INFLUENCE AND GLOBAL RECOGNITION

Her enduring commitment to social impact, environmental stewardship, and community engagement have defined Ryan's identity as a force for nation-building. The group's recent accolades, such as the Best Education Brand 2026 by ET Egde, Navabharat Education Summit & Awards 2026, Mahatma Award for Lifetime Achievement (2025), the World's Best School Prize (2024, Environmental Action) are testament to Dr. Pinto's far-reaching influence and vision.

THE POWER OF A WOMAN WHO SHAPES FUTURES

As India seeks leaders capable of navigating unpredictability with clarity and compassion, Dr. Grace Pinto stands as a model of purpose-driven, future-oriented leadership. Her pioneering journey in education is a guiding light for the next generation, affirming that in shaping young minds, she is helping shape the destiny of an entire nation.
