SALILA PANDE

MD & CEO, SBI CARD

A veteran banker, Salila Pande of SBI Cards and Payment Services moved into the corner office on April 1, 2025, and there has been no turning back since then. The company is the largest pure-play credit card issuer in India, with over 22.9 million cards in force as of August 2026 and is overall the second-largest credit card issuer in the country. Known for her decisive style of working, Pande is amongst the select few women heading a financial institution in India. Her priorities remain deepening customer relationships, diversifying products, and accelerating digital transformation as well as strengthening risk management capabilities.

SUNEETA REDDY

MANAGING DIRECTOR, APOLLO HOSPITALS ENTERPRISE

One of the four daughters of Apollo founder Prathap C. Reddy, Suneeta Reddy joined Apollo Healthcare Enterprises in 1989 and led its finance function, playing a key role in its fundraising and access to capital. Currently Managing Director, she has overseen the group's growth across hospitals and integrated healthcare services, alongside its financial and strategic development. Her leadership has helped Apollo build its presence across India's healthcare market and develop a wider network of services spanning hospital care and related healthcare businesses.
