The mother-daughter duo of Bina Modi and Charu Modi have been successfully running the country's second largest tobacco firm, which posted over 32% increase in consolidated net profit in FY26 despite geopolitical challenges and higher taxes on cigarettes. Bina Modi's term as CMD was renewed for a five-year period in 2024. Moving forward, she has said (in the annual report) the priority would be to focus on strengthening the core business, expanding the company's international presence, and enhancing its product portfolio. Charu Modi, who is also the Co-founder and Chancellor of K.K. Modi University, joined the GPI board in 2024 and has been instrumental in establishing the customer support centres, which has helped significantly increase sales.
