THE MID-TIER ROI CRISIS

Rising fees coupled with stagnant salaries are putting pressure on returns at mid-tier B-schools. For institutions ranked 26–50, the ROI fell from 1.05 in 2023 to 0.79 in 2026

₹16.6 LAKH

The mean average annual domestic salary for top 100 B-schools in the Eastern zone, the highest across all regions (North, South, West, and East)
