92. An extensive discussion of the question of whether China is a status quo or revisionist power in various realms of international relations is beyond the scope of this book. For a good summary of the literature, see Scott L. Kastner and Phillip C. Saunders, "Is China a Status Quo or Revisionist State? Leadership Travel as an Empirical Indicator of Foreign Policy Priorities," *International Studies Quarterly* 56, no. 1 (2012): 167.
