THE WEB OF DECEIT

Investigating officers and employee accounts detail a saga of sexual and religious harassment that allegedly played out at the TCS BPO over the past three years

1 GROOMING: A few male superiors allegedly offered friendship, mentoring or romance to build trust with young women colleagues

2 FACILITATION: A female intermediary at the workplace allegedly helped break the ice

3 BLURRING BOUNDARIES Social interactions like movie or weekend outings breached professional limits

4 CREATING DEPENDENCE: Emotional attachment reportedly reinforced through favours like leniency in office timings

5 SEXUAL HARASSMENT: According to FIRs, there was gradual escalation to inappropriate touching in office spaces and lewd remarks

6 IDEOLOGICAL CONDITIONING: A few complainants mention ridicule of religious beliefs and practices, including of deities, eating habits or attire

7 COERCION & CONTROL FIRs cite threats of revealing relationships to families to demand sexual favours, workplace penalties to enforce compliance

8 WEAK OVERSIGHT: Those in authority are accused of dismissing/ ignoring complaints; TCS denies receiving any formal complaints
