INDO-JAPAN CONCLAVE

INFRASTRUCTURE: CAN INDIA BE JAPAN'S GLOBAL PRODUCTION HUB?

ARUN KUMAR

"The Japanese are trustworthy, and there is no question about the formidability of their technology"

"There is no better time than now to take the economic engagement between Japan and India to the next level"

BHARAT KAUSHAL
Corporate Officer, Hitachi Ltd and Executive Officer, Hitachi India

"The US tariffs and the West Asia conflict makes us take stock of how India and Japan can collaborate for the next 20 years"

"We need to couple the Indian short-term mentality with the Japanese long-term mindset for beneficial results"

SYED FAISAL ASHRAF
Managing Director, Mitsui & Co. India

INVESTMENTS: WIDENING THE JAPAN–INDIA INVESTMENT PIPELINE

"The Indo-Japan Official Development Assistance (ODA) is an important pillar of our relationship, leading to investments in large infrastructural projects in India"

DEEPA WADHWA
Former Indian ambassador to Japan

"In August, when PM Modi visited Japan, the priorities were semiconductors, critical minerals, ICT, clean energy, pharma. Now, there is rapid development on semiconductors in Gujarat and Assam"

FUMIO YAMAZAKI
Minister of Economy and Development, Embassy of Japan in India

"Last October, we set up a Japan investment facility through which we can provide loans to strategic sectors like semiconductors, pharmaceuticals, automobiles and shipping...."

TORU ENDO
Chief Representative, Representative Office in New Delhi, Japan Bank for International Cooperation
