CULTURE: THE MANGA-ANIME RAGE

"A lot of female anime characters are strong, vocal and independent. That's something many people connect with"

BAISHAKHI DAS
Cosplay artist and content creator

"When you become a fan of anime, you don't move on from it. You keep exploring within it, and you stay with it for life"

SOCIETY: SOFT POWER—THE NEW INDIA-JAPAN CULTURAL BRIDGE

"Children across Japan are taking up cricket with genuine passion and curiosity—this is where India enters the story. It's a source of learning, inspiration and administration"

"Japanese approaches to discipline and training are influencing Indian sport ecosystems. This represents something much larger than medals and rankings"

NORIAKI ABE
Minister (Political), Embassy of Japan in India
