Colours of Royalty

With a hued melange of crimson and forest, this signature bracelet strings together ruby tumble beads and emerald beads, accented with brilliant-cut natural diamonds. The vibrant composition from the House of Rose is effortlessly versatile and allows the patron to seamlessly transition between personal statement and occasion-led adornment.

Price on request; **Availability** The House of Rose, Darabshaw House, Ballard Estate, Mumbai; DLF Emporio, Vasant Kunj, New Delhi

A BLOSSOMING DREAM

Bejewelled emotions, where nature reigns as the ultimate muse, is at the heart of Chopard's new haute joaillerie collection. Caroline's Garden is a vibrant ensemble that pays tribute to the soul of a garden. Here, colours, curves and sparkles craft a story of a captivating universe of cocktail rings. Each bloom-inspired creation evokes a flower—budding or blossoming—around a central stone, be it sapphires, mandarin garnets, tanzanites, emeralds, or tsavorites.
