LIFE AT SRMIST

A Campus That Inspires

SRMIST fosters future leaders in Engineering and Technology, by blending strong academics with practical skills to prepare students for real-world challenges.

Integrated Ecosystem @ SRM

SRMIST enables interdisciplinary collaboration across Medicine, Dentistry & Other Health Sciences, Engineering & Technology, Science & Humanities, Management, Law, and Agricultural Sciences.

SRM-DBT Life Sciences Platform

In collaboration with the Government of India's DBT, SRMIST offers cutting-edge genomics and bioinformatics training along with skill development initiatives.

A Vibrant Social Life at SRM

SRMIST offers a dynamic campus life where academic pursuits blend with creativity, culture, and community engagement.

REACH (Center for Research in Environment, Sustainability Advocacy and Climate Change)

This dedicated research center focuses on climate change, sustainability, and environmental advocacy, driving impactful studies and solutions.

Faculty Experience and Quality

SRMIST's education is led by expert surgeons, researchers, and academicians who provide expert guidance and foster continuous faculty development.

FabLab

A hub for rapid prototyping, FabLab supports innovative projects such as VR-based stroke rehabilitation, algae-powered air purifiers, and sustainable mobility technologies.

MILAN

India's leading cultural festival, attracting over 50,000 participants.

Jhalak - A vibrant intra-college cultural showdown where students from eight houses—Agni, Astra, Brahmos, Nag, Prithvi, Aakash, Shaurya, and Trishul, compete in music, dance, drama, and more.

AARUUSH

A premier techno-management fest featuring startups and collaborations with organisations such as DRDO and Medisim VR.

Panacea - A vibrant cultural fest organised by SRMIST exclusively for Medicine and Health Sciences students, celebrating talent, creativity, and community.

BEYOND CLASSROOMS

Josh, Khel, ACE – Sports and staff engagement activities promoting health and teamwork.

Butterflies – Outreach programs designed for school children, fostering early learning and inspiration.
