THE DEFENCE DIALOGUE: THE INDIA STORY

> Modern warfare has shifted from heavy tanks and expensive missiles to low-cost, agile drones and electronic warfare

BODHISATTWA SANGHAPRIYA
Founder and CEO, IG Defence

> During Kargil, intelligence processing took nearly two-and-a-half days. Today, AI can compress that cycle into 30 minutes

TARUN WIG
CEO and Co-founder, Innefu Labs

DESIGN: REDEFINING MODERN CRAFT

> You have to accept that your home is to live in, not a showpiece to show guests how rich you are. Design needs to be friendly to people of all ages living in it, the staff, animals...

SARAH SHAM
Principal designer and founder, Essajees Atelier

JUGGLING THE ROLES OF PRODUCING, ACTING AND ENTREPRENEURSHIP

> In life you always get two options. One is to go ahead and grow, one is to sit back and be comfortable and safe. For me, it was to glamourise growth and figure it out

GENELIA DESHMUKH
Actor and entrepreneur

THE RIGHT RECIPE: MASTERING THE ART OF REINVENTION

> Reinvention is the main ingredient to longevity. If I hadn't done that, I'd have been a nostalgic favourite, not a current favourite. One has to surprise themselves and do things that scare them

MONA SINGH
Actor and restaurateur

THE NEXT-GEN CHANGE MAKER

> Gen-Zs have grown up wanting to give back to society. I don't think they are lazy. The sheer ambition I see in them inspires me every day

NAVYA NAVELLI NANDA
Entrepreneur and philanthropist
