INDIA'S MOST DANGEROUS SERIAL KILLER: Shankariya Kanpatimar
by Rakesh Goswami
PENGUIN/ EBURY PRESS
₹399; 216 pages

MURDERS MOST FOUL

India's first recorded serial killer—Shankariya—was nicknamed 'Kanpatimar' because he hit all his victims on their temples or 'kanpati'. Over 18 months in 1977-78, he killed nearly 70 people across Rajasthan, Punjab and Haryana. He was eventually apprehended and hanged on May 15, 1979. The book dives deep into police files and contemporary reportage to piece together this sinister saga.

FLOWER OF INDIA
Ways of Seeing the Lotus
By Devdutt Pattanaik
ALEPH BOOK COMPANY
₹399; 104 pages

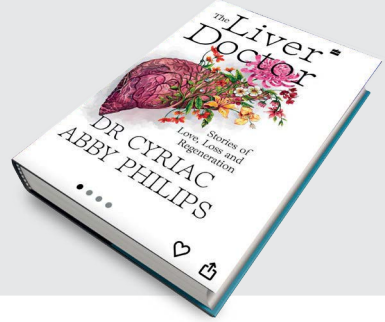

Flower **Power**

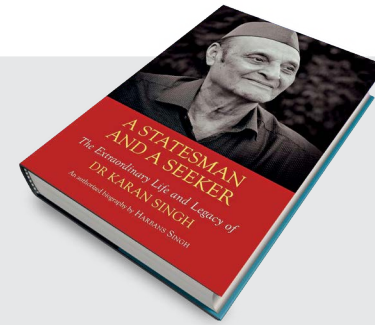

Aleph's 'Essential India Editions' has kept its promise of supplying us with concise and discerning explainers by subject experts. In this one, Devdutt Pattanaik examines the place of lotus in India's cultural imagination. He also informs us that while the lotus is popularly believed to be India's national flower, it was never notified as such.

THE RATIONALIST

Known on social media as 'The Liver Doc', Dr Cyriac Abby Philips is a practising hepatologist who has made it his life's mission to debunk pseudoscience and raise awareness about metabolic health. No matter if he upsets some people on the way. The good doc brings the same refreshing honesty to this book, which is memoir, science journal and philosophical treatise all rolled into one.

THE LIVER DOCTOR
Stories of Love, Loss and Regeneration
By Dr Cyriac Abby Philips
HARPERCOLLINS
₹499; 408 pages

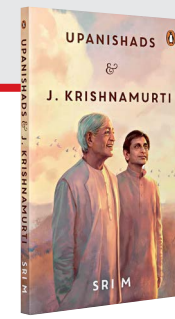

A STATESMAN AND A SEEKER
The Extraordinary Life and Legacy of Dr Karan Singh
By Harbans Singh
SPEAKING TIGER
₹999; 512 pages

Man of the Times

Few people who play a prominent public role have an internal life as intense as Dr Karan Singh's. His family once ruled Jammu and Kashmir, but he embraced change and a life in politics while retaining a metaphysical bent, as this authorised biography shows.

UPANISHADS & J. KRISHNAMURTI
By Sri M
PENGUIN ANANDA
₹499; 288 pages

PLANES OF CONSCIOUSNESS

In a slim volume dense with meaning, Sri M—a spiritual teacher and educationist who established the Satsang Foundation—writes about his close association with J. Krishnamurti, and how Krishnamurti's radical teachings can be traced back to the wisdom of the Upanishads. Filmmaker Mahesh Bhatt's memoir of his life with his spiritual mentor U.G. Krishnamurti, culled from journal entries by Sunita Pant Bansal, is rather more visceral, if also verbose. Here is a seeker drowning in the froth of his metamorphosis.

THE ASHES ARE WARM
By Mahesh Bhatt
RUPA
₹495; 384 pages
