# THE CAFFEINE HIGH

**Coffee's vibrant new narrative has not just stirred a craft and speciality culture but a new breed of drinks—coffee-accented tipples.**

GAGAN SHARMA

There's pleasure in imbibing a well crafted drink, be it a Negroni or a pour-over coffee. No longer are spirits an evening-only play, neither coffee a mere morning ritual. India has been witnessing a craft movement in both, and their coming together is only natural.
