

LUCERNE & MOUNT PILATUS: SWITZERLAND'S PERFECT SUMMER PLAYGROUND

From peaceful lake cruises to alpine adventure, Lucerne offers the best of Switzerland in one unforgettable summer destination.

Summer is setting in and if you are looking for a picturesque escape from the scorching sun, think of Lucerne and Mount Pilatus. Framed by sparkling water and towering alpine peaks, Lucerne effortlessly blends city culture with outdoor adventure. You can stroll along the lakeside promenade where cafés spill onto sunny squares, and the historic Old Town becomes a maze of flower-filled streets, frescoed buildings and medieval charm. Within minutes, visitors can go from wandering cobbled streets to cruising across the lake or heading into the mountains for an alpine exploration.

Only 10 minutes from the city sits Mount Pilatus, Lucerne's legendary mountain and one of the most popular excursions in Central Switzerland. From Pilatus you can get sweeping panoramic views stretching across the Swiss Alps and deep into the surrounding valleys.

But Pilatus isn't just about spectacular views. It is an alpine playground with hiking trails that wind through meadows and rocky ridges. Midway up the mountain lies Fräkmüntegg, where the mountain transforms into a giant adventure hub. Test your courage in the Pilatus Rope Park, a treetop network of climbing courses replete with suspended bridges, ropes and platforms that wind through the forest canopy.

Thrill-seekers can soar through the trees on the Dragon Glider, while the Fräkmüntegg Summer Toboggan Run, one of the longest toboggan tracks in Switzerland, sends riders racing down a twisting alpine track.

One of the best ways to experience Pilatus is the famous Golden Round Trip that begins with a scenic boat cruise across Lake Lucerne before travellers board the world's steepest cogwheel railway at Alpnachstad for a climb to the summit. Two scenic cable cars bring you back down on the other side of the mountains.

After a day in the mountains, check into the Radisson Blu Hotel, Lucerne, located next to the lake and within walking distance of Lucerne's historic Old Town and boat departures. This ideal lakeside retreat provides stylish rooms, mountain views and easy access to the region's top attractions.
