Crowning Glory

Layering perfume with body and hair mists are among the easiest ways to make scent linger. With Calvin Klein's new Hair & Body Perfume Mists, the brand offers a collection of four vibrant, body scents that are light enough to layer, and bold enough to fire interest. Each refreshing mist is a delightful blend of fresh florals, juicy gourmand fruits, warm musks and comforting woody vanilla—Silky Coconut, Sheer Peach, Nude Vanilla and Cotton Musk.

HOMME IMPROVEMENT

With scents gravitating towards warmer, more layered fragrances, BVLGARI's Man In Black Parfum quietly embodies this shift with this composition, Designed to be worn close to the skin, vibrant spices and a rich amber-wood outline the base, softened by floral notes such as iris and tuberose. Sporting unlikely ingredients in men's perfumery, this fragrance is perfect for those who prefer to stand out.

POWER OF LOVE

With opening notes of juicy rose, which bloom into Damascena rose and jasmine, before leaving a sensual trail of creamy sandalwood and musk, it's obvious that Idôle Power is a love potion. The woody floral scent is modern, magnetic, and addictive. The iconic slim bottle has been reimagined in russet-toned ombré lacquer, framed in rose-gold. With a nod to Lancôme's sustainability vision, it comes with a refillable cap.
