1 Elan

Elan translates the curves of a stringed instrument into hand-finished glass, its clear body flecked with gold that catches the light like a held note. Shown singly or as a pair of differing heights, it brings sculptural grace to any console.
PRICE ₹37,995/₹41,995

2 Majestic Horse

A proud equestrian profile in antique-brass tones, Majestic Horse carries intricate engraved detailing and rests on a slim black plinth. An emblem of strength and poise, it lends shelves and study desks a stately, heirloom presence.
PRICE ₹3,795

3 Opaline Vase

Smoky grey glass meets raised amber accents in this sculptural vase, its organic form feeling hand-shaped rather than machine-made. Striking with a generous bunch of lilies or left empty, it anchors any room with quiet drama.
PRICE ₹57,995

4 Shree Ganesha

Cast in luminous amber crystal, Shree Ganesha is rendered in jewel-like detail, from the ornate crown to the raised hands. Glowing softly in the lamplight, this auspicious figure makes a heartfelt Diwali gift and a serene focal point for a living room.
PRICE ₹21,995

5 Arabella

Exceptional clarity in its faceted crystal gives the Arabella its brilliance, with five graceful arms rising from a tapered stem. Lit for a festive dinner or wedding table, it scatters candlelight across the room, a timeless centrepiece.
PRICE ₹21,995
