MENOPAUSE MATTERS: THE SILENT HEALTH CRISIS

“If Hormone Replacement Therapy sounds so good, why isn’t everyone on it? Well, it’s not all that great. Age, timing after menopause and risk factors like breast cancer and clotting history play a role”

DR AMBRISH MITHAL
Group Chairman, Endocrinology and Diabetes, Max Healthcare

BANDEEP SINGH

“Menopause hasn’t changed. It was always there, we were just not aware of it. Urban stress, poor diet and lack of exercise amplify symptoms without shifting the age of onset, which remains largely genetic”

DR ANITA GUPTA, *Associate Director, Obstetrics and Gynaecology, Fortis LaFemme*

GEN Z WOMEN ON POLITICS, PROGRESS AND POSSIBILITY

RATNA SINGH
Legal Affairs Lead, Cockroach Janta Party

“Our first focus is to quash all FIRs from Jantar Mantar. We don’t want a child’s future destroyed due to an FIR”

JOSLYN NANDITA CHOUDHARY
Delhi State Secretary, NSUI

“If I can contest one of the biggest student elections in India, I can see myself at the top someday”

THE WAR WIDOWS: COURAGE UNDER ADVERSITY

“He used to say, there’s nothing you cannot do. Those are the words I remember as a source of strength”

ALKA AHUJA, *W/O Vir Chakra Kargil martyr Sqn Ldr Ajay Ahuja*

CHNADRADEEP KUMAR

“Please do not stop asking for help. Believe in yourself. It is you who has to take the first step”

LT COL RAVINDER JIT RANDHAWA, *First Veer Nari to join the Indian Army*
