1. Cereal Crops Production (Unit: Lakh MT)		
CROP	**2023–24**	**2024–25**
Paddy	142.29	138.45
Wheat	328.96	382.32
Maize	49.33	81.20

2. Cereal Crops Yield (Unit: Kg/Ha)		
Crop	**2023–24**	**2024–25**
Paddy	3,429	3,564
Wheat	3,367	3,782
Maize	3,197	3,526

3. Agricultural Crops Productivity (Unit: Kg/Ha)		
Category	**2023–24**	**2024–25**
Total Cereals	3,322	3,650

4. Agricultural Crop Area Coverage (Unit: Lakh Hectares)		
Category	**2023–24**	**2024–25**
Total Cereals	160.97	168.04

5. Total Agricultural Production (Unit: Lakh MT)		
Category	**2023–24**	**2024–25**
Total Cereals	534.77	613.30
Total Pulses	72.96	56.98
Total Foodgrains	607.73	670.28
Total Oilseeds	100.22	94.94

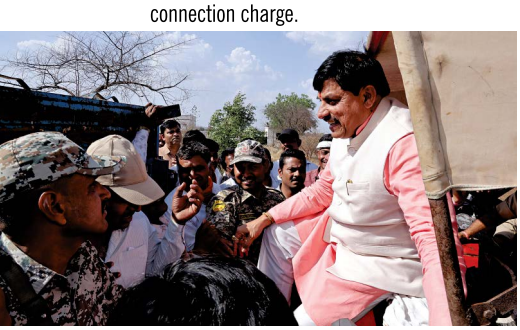

6. Pulse Crops Yield (Unit: Kg/Ha)		
Crop	**2023–24**	**2024–25**
Tur / Arhar	885	842
Gram / Chana	1,698	1,628
Lentil / Masoor	1,152	956

7. Pulse Crops Production (Unit: Lakh MT)		
Crop	**2023–24**	**2024–25**
Tur / Arhar	1.37	1.27
Gram / Chana	35.83	22.04
Lentil / Masoor	8.24	6.02

Nagalwadi, and Shaheed Bhima Nayak Sagar (Lower Goi)—will cover 1.21 lakh hectares across 319 villages.

ENERGY & DIGITAL SUPPLY CHAINS

- **Agricultural Power:** Farmers get 10 hours of guaranteed daytime power, with solarization under PM-KUSUM-B helping some become power producers themselves. New agricultural connections are available for a nominal₹5 connection charge.

8. Expansion & Production of Summer Crops (3rd Crop Cycle) (Area: Lakh Ha | Production: Lakh MT | Yield: Kg/Ha)						
Crop	**Area 23–24**	**Production 23–24**	**Yield 23–24**	**Area 24–25**	**Production 24–25**	**Yield 24–25**
Summer Urad	0.60	0.79	1,312	1.15	1.51	1,310
Summer Moong	14.39	20.29	1,410	15.09	21.28	1,410

- **Transparent Inputs:** The e-Vikas digital portal tracks the supply chain of DAP, Urea, and certified seeds to cut queue delays and bottlenecks at local distribution points.

REGIONAL IMPACT: THE BALRAM KRISHI MAHOTSAV

The Balram Krishi Mahotsav campaign paired policy announcements with direct investment across key districts:

- **Indore & Ujjain:** A modernized Mandi announced for Indore, with rehabilitation housing for affected families; a ₹1,250 crore potato processing unit commissioned in Ujjain, sourcing produce from 32 surrounding districts.
- **Barwani & Burhanpur:** Tissue-culture banana exports to Gulf markets, backed by a Mega Food Processing Cluster at Ghatwa (Rajpur); a GI tag process initiated for Barwani Red Chilli; ₹107.82 crore in relief disbursed to 8,000+ storm-affected banana growers in Burhanpur.
- **Jhabua & Dhar:** 50 Krishi Sakhis deployed to promote natural farming; 0% interest credit limits expanded to ₹3 lakh; 760+ local ponds developed for commercial fisheries across 3,000 hectares.

LIVESTOCK ECONOMICS & THE WHITE REVOLUTION

Livestock remains a key source of steady household income alongside seasonal crops. Madhya Pradesh, which currently accounts for 12 percent of India's milk production, is now working to raise that share to 20 percent.

- **Dairy Capital Incentives:** A 33% capital subsidy (up to ₹10 lakh) for commercial dairy projects costing up to ₹40 lakh, with a minimum of 25 milch animals.
- **NDDB Integration:** A partnership with the National Dairy Development Board to streamline supply chains, adding ₹8 to ₹10 per liter in direct returns for farmers.
- **Gaushala Support:** Financial assistance for gaushala upkeep doubled from ₹20 to ₹40 per animal per day.

THE STRATEGIC HORIZON: 12 SIMULTANEOUS GI TAGS

The simultaneous GI tagging of 12 horticultural crops—including regional garlic, onion, ginger, tomato, coriander, fenugreek, and Barwani red chilli—gives Madhya Pradesh's produce a distinct origin identity. This legal protection guards against misuse, helps farmers command premium pricing in domestic and export markets, and supports the state's goal of expanding of horticultural coverage to 30 lakh hectares by 2030.

COMPREHENSIVE FARMER SAFETY NET

Policy Safeguard	Mechanism & Impact
Credit Security	0% interest loans up to ₹3 lakh with a 12-month repayment window
Price Protection	Bhavantar Payment Scheme: ₹1,475 crore paid to 7+ lakh soybean growers; extended to Mustard and Paddy
Incentive Bonuses	₹4,000/hectare bonus for Paddy; ₹1,000/quintal bonus over MSP for Kodo-Kutki millets
Land Compensation	4x market rate for rural land acquired for public infrastructure
Input Subsidies	Subsidized ₹5 agricultural power connections and solar pump distribution
