Pitambari for every Festive Celebration

Pitambari
INNOVATIVE PRODUCTS

Festivals are an integral part of Indian culture. They bring us closer to our roots and reconnect us with our traditions. The celebrations, rituals and moments of devotion add meaning to every festival and bring families together.

At the heart of these celebrations is Pooja, a time when homes come alive with prayers, light and devotion. This festive season, make every Pooja special with **Pitambari Pooja Products.**

Give your Copper and Brass Pooja utensils a bright shine with **Pitambari Shining Powder.** For your silver articles, choose **Rooperi Silver Shine.** It gives silver a dazzling shine at home without loss of metal, helping your precious articles look their best.

A Diya is an essential part of Pooja, symbolising light, positivity and the divine presence. **Deepshakti Lamp Oil**, enriched with sesame oil, helps your Diya burn bright and last longer, with less smoke and no black soot.

For an effortless glow, light a **Ghee Diya** made with pure ghee. Its steady wick ensures consistent, long-lasting burning, while Jasmine, Kewda and Champa fragrances add a delightful festive touch.

Complete your pooja with **Devbhakti Agarbatti**, made with natural ingredients and fragrances. Choose from fragrances like Sandal, Jasmine, Champa, Rose, Lavender, or add variety with **Saptarshi – Atri 7 in 1**, which brings seven fragrances together in one pack. For a more meaningful Pooja experience, explore the **Upasana Range** crafted with fragrances beloved by various deities and the **Dosh Nivaran Range**, crafted with fragrances associated with planetary deities.

This festive season, celebrate your traditions with Pitambari and make every moment of devotion special.
