Four delicious experiences to sip and savour this month

Cosy Nook

Bar Stormy, Hyderabad

Their bars are the stuff of legend, from Sidecar (World's 50 Best Bars 2021 and 2022) to The Brook and Cocktails & Dreams Speakeasy. Now, award-winning bartender-owner duo Yangdup Lama and Minakshi Singh have teamed up with Kishore Pallamreddy, Founder of Red Rhino Brewing Co., to open the coolest neighbourhood bar in Hyderabad's Financial District. The core principles remain the same—superlative drinks, elevated bar snacks, and a relaxed vibe. The bar counter is low, making it all the more convivial. For their first foray into South India, Bar Stormy (named after the classic sailor's cocktail Dark 'n' Stormy), Lama and Singh have concocted 10 Stormy Signatures, based on familiar local flavours like curry leaf and Osmania biscuit (with mood meter and flavour profile). There are also 8 Timeless 'Tails, bestselling drinks from their other bars. The tapas-style food, by Chef Abhishek Halder, is flavour-forward and shareable. There are bar bites like Wai Wai Bhel and Brie on Toast, small plates including Imli & Tuna Crudo and Mushroom Galouti Sliders, and larger plates such as the Hangover Show Mein Bowl, Bone Marrow Nihari Feast and Mutton Lukhmi Phyllo Pie. The Ragi Sticky Toffee Pudding makes for a happy ending.
