

Ramayana *Part I*
Director: *Nitesh Tiwari*
Producer: *Namit Malhotra*
Budget: *Rs 4,000 cr.*
Date of release: *Nov. 5*

There's a lot riding on this two-part epic, touted as the most expensive film in Indian cinema. Malhotra is betting big on this rendition of the universally familiar story, spiffed up with VFX, to fare well not just in India but also in international territories.

"This isn't just an exciting role or film for me, it's a responsibility. My job is not to be worthy of this role; my job is to be worthy of people's faith in this story"
