INHERITING THE WHEEL: TWO GENERATIONS OF WOMEN IN THE DRIVER'S SEAT

"Both Manasi and I were very clear that when we carry forward his (Vikram Kirloskar's) legacy, we do it in his way... I'm very proud and happy to always continue to be Mrs Vikram Kirloskar"

GEETANJALI VIKRAM KIRLOSKAR, *Chairperson & MD, Kirloskar Systems Pvt. Ltd*

MANASI TATA
Vice Chairperson, Toyota Kirloskar Motor

"My parents were extremely communicative with me about all aspects of life, personal, work, everything. And I think that's something that has really shaped me as a professional, as a parent, as a friend"

INDIA'S ECONOMIC ROADMAP: GROWTH, JOBS & INV

SAJJID Z. CHINOY,
MD & Chief India Economist, J.P. Morgan

"There has been strong growth in the world, but it is not translating into job creation. As a result, GDP as an indicator of employment generation is becoming irrelevant"

SOUMYA KANTI GHOSH
Group Chief Economic Advisor, State Bank of India

"India will continue to produce jobs, but these jobs may not be of significantly higher value"

TECHNOLOGY & INNOVATION: THE NEW SPACE WARRIORS

AAKASH SINHA
Founder Director & CEO, Omnipresent Robot Technologies

"Access is a lot easier and then funding support has now come in from government...they are also signing a minimum order quantity along with the contract"

NAVNEET SINGH
Founder & CEO, Kepler Aerospace

"It's a good time to be in the space and defence business...this is a booming economy sector that we have to pursue because it is more of a requirement than a desire"
