THE AI AFFAIR: SYNTHETIC DESIRE & THE FUTURE OF INTIMACY

"When you come home from work, if you start venting to ChatGPT instead of your partner, you miss a small opportunity for human connection"

BRYONY COLE
Expert on emotional AI, synthetic intimacy and human connection

THE YOUNG BOY WHO SAW FURTHER THAN MOST

"See the irony that these normal schools, which rejected me, now call me to motivate their children"

PRATHAMESH SINHA, *Shark Tank India Season 1 fame; National Awardee 2024 & Brand Ambassador, Thinkerbell Labs*

EINSTEIN 2.0? MEET THE YOUNG GENIUS WHO THINKS BEYOND HIS YEARS

"School remains important, not just for learning but also for socialising, making friends and learning alongside others"

RISHI SHIV PRASANNA
Eight-year-old prodigy, National Child Award winner, Google-certified Android developer

MANDAR DEODHAR

THE *HANUMAN ANSH* MIRACLE: A SMALL BUDGET TO A ₹400-CRORE+ STORY

"When you are playing a higher being, you need to have the saint's blessing. Baba was with me, which is why I was able to do it"

SHOBHINAW SATYAA
Actor and filmmaker

"One thing the film industry can learn from *Hanuman Ansh* is that if a director stays true to his word and makes a good film and does so within budget, then no film will be a flop"

RAGINI SONA
Producer
