brands while maintaining a reverent connection to French decorative arts. "One of the major challenges, as Collection Particulière grew significantly, was to ensure that each of our two brands maintained its own distinct identity," says Aumont. While Delcourt's eponymous line remains intensely personal, Collection Particulière has evolved into an eclectic, global melting pot of international collaborations.

Not a Simple Launch

For their inaugural Indian chapter, the duo chose a unique curatorial route. Instead of chasing trends with new releases, the Nilaya Anthology space acts as a living archive of their 12-year journey. "The goal was not to showcase our new products, but rather to present a cohesive collection of everything we've been working on since the brand's inception," explains Delcourt. Visitors are treated to a smorgasbord of textures: wood chiselled via traditional French gouging, sculptural marble and highly specific clay work, from chamotte to glazed finishes.

Integrity of the Artisan's Touch

Aumont notes that the secret weapon behind Collection Particulière's ethos is the sheer
